

Quartets

Für: 4 Mitspieler

Übt: Fragen und Kurzantworten formulieren

Dauer: ca. 10 Minuten

Enthält: 32 Quartettkarten und vier Listen

Regeln:

1. Jeder Spieler erhält die auf Seite 4 abgedruckte Liste mit den Karten und 8 Karten.
2. Das Ziel des Spiels ist es, möglichst viele Quartette (z.B. alle Karten aus dem Bereich „HOUSE“) abzulegen. Der jüngste Spieler beginnt. Er / sie darf einen beliebigen Mitspieler mithilfe der Liste fragen, ob er eine Karte besitzt. Dazu muss er oder sie eine bestimmte, vereinbarte Zeit verwenden (z.B. present perfect): „Tim, have you bought a new shirt?“
4. Wenn Tim die Karte „buy a new shirt“ besitzt, so antwortet er „Yes, I have“ und muss die Karte an den ersten Spieler abgeben. Dieser darf dann noch einmal fragen. Wenn Tim sie nicht hat, sagt er „No, I haven't“, und der nächste Spieler ist an der Reihe.
5. Wer vier Karten aus einer Kategorie zusammen hat, darf sie vor sich ablegen: „I have visited a museum, gone sightseeing, travelled by plane and written a postcard.“ Der Spieler, der am Ende die meisten Quartette hat, gewinnt.
6. Alternative für fortgeschrittene Spieler: Die Fragen müssen in unterschiedlichen Zeiten gestellt werden. Hier kann man z.B. einen Zeitenwürfel (1 = simple present, 2 = present progressive, 3 = simple past ...) einsetzen.

HOUSE

wash the dishes

HOUSE

tidy up your room

HOUSE

help mum in the garden

HOUSE

clean the bathroom

FOOD

eat an apple

FOOD

drink milk
